Students should come to school on the first day with ALL of their supplies. Parents should label all supplies with student's name. We encourage you to keep this list throughout the school year so you can replenish supplies as needed.

All textbooks are the property of the Academy. Therefore, proper care should be used in handling each book. They are not to be written in and should be free from marks. A charge will be made for lost or damaged books. All hard-covered books should be covered.
